

Convoy for Freedom – Ottawa

SMEC Proposal - Demobilization Plan

Draft

Document Prepared by:

**Integrated Planning Cell
RCMP, OPP, TPS, YRP, PRP**

Documents Version:

Thursday, February 10, 2022

Background

Current Community Profile

- 400 & Trucks
- 1000 occupants
- 6 blocks x 5 blocks
- Animals
- Vulnerable properties
- Disabled/elder
- Mentally ill
- Reduced services (waster, communications, emergency services)
- Environment – poor
- External support systems

1.0 Situation

Occupation of Ottawa Street/neighbourhood

- Mixed between commercial and residential
- Commerce → access mobility and quality of life
- Vulnerable → properties – LTC daycare

2.0 Mission

To facilitate a resolution through de-escalation graduate measurable and multi phases prong response while ensuring the safety of participants, citizen and members of participating agencies.

2.1 Objectives

Primary PSA core functions:

1. Crime Prevention
2. Law Enforcement
3. Assistance to victims of crime
4. POU maintenance
5. Emergency Response

Future response structure:

- Template plans
- Scalable/duplicable
- Measurable
- Legislative change
- Policy Change

3.0 Execution

- Government = plans and communications
- Participants = victory (restrictions removed)
- OPS rebuild victory – community supports (rebuilt police confidence)
- Return to state of normality
 - City Services
 - Traffic re-established
 - Business in the affected area – regular government businesses
 - Restore standard of living
 - Ontario
 - Return of partner agencies
 - Participants leave
 - Return stand of policing
 - New Normal Ontario look like
 - Lessons learned, enhanced training, Continued collaboration
 - Strategic Coordination
 - Canada
 - Consistency of Ontario
 - Gov't education program for the general public
 - Lessons Learnt – Regional, Provincial and Federal
- Return Ontario/Canada policing to normal standard (Pandemic)
 - Template already build (Pandemic & Non Pandemic)
- Future response structure

3.1 Deployment Plan

Current

- Not Intelligence Led
- Participants have the initiative – Have retired police tactical leaders guiding (chief of security)
- Reactive, tactical, aggressive, risk
- Poor communications
 - No communication strategy (internal/external)
- Unclear and vague Command & control
- Unqualified trained leadership
- No or poor partner collaboration
 - Lack of collaboration
 - Strategy
 - Tactical
 - Focused on local issues only – no national perspective
- OPS focus is only maintenance and not resolution
- Boots on the ground

- Low moral
- Frustration
- Lack of leadership/confidence of command- no clear direction
- Physical & mental – exhausted
 - Poor decision making
 - Longer
- Information sharing – incomplete and unknown command structure/OP not signed off
- Logistics
 - Hotel, staging, joining instructions/creature comforts Comms Tools/PPE
 - Network sharing
 - Info incomplete - unknown command structure
 - Org Chart not developed
 - Police resources - Not integrated
- Police Vulnerability – Business Continuity

Desired:

- Unified police efforts
 - Command and control
 - Comms
 - CONTROL THE NARRATIVE
