Hi Beth,

Please escalate... I have also include Trish and Steve on this email due to the serious nature of the allegation. I am sure they are aware but sending it to them nonetheless out of an abundance of caution.

Hello Chief and Mr. Ayotte,

I would like to bring to your attention a disturbing email I have just received and not sure if this was sent to every member of council. Given the seriousness of the allegations, I wanted to make sure OPS was aware of the information.

I'm not aware of who this person is, nor have I communicated with home before. I have just opened this and am forwarding immediately for your review.

I trust you can action what you need from here.

Kindest regards,

George
